

JUNE 2022

Heartstrings

THE MONTHLY NEWSLETTER FROM
NEIGHBOURHOOD CARE CANADA

Senior is at the top of his game!

With Spring still around, it's heartening to see our Seniors take to the outdoors and mingle with the rest of us. You can tell from the zip in their step that the company and fresh air are doing them a world of good.

Our team has been making the rounds in the spring break as well, supporting key events like the Cabbagetown Forsythia Festival and the IG Wealth Management's Walk for Alzheimer's! Just one more way in which we give back to Society!

Here's to all our Seniors and Loved Ones! May good health and good luck be yours! Enjoy our Newsletter!

Making a statement at the Cabbagetown Forsythia Festival

In keeping with our commitment to support the community, we put our best foot forward, at the Cabbagetown Forsythia Festival on May 1 2022. A good turnout largely dressed in the yellow tones of the event theme, participated in the day-long celebrations that included a parade, a raffle, magic show and games. Our **Mark Tozer** was on hand to represent us at the event.

THE HEART OF HEALTHCARE

It is rightly said that you don't build a hospital without nurses. Nurses are indeed the very heart of healthcare, saving lives in the normal course of their workday.

Few of us, however, realize either the training that it takes to become a nurse or the importance of them in the medical hierarchy.

Studying to be a nurse can take several years of intense study and practical experience, before qualifying. In hospitals and healthcare establishments, they play significant roles, very often being key members in the medical team implementing a patient's health plan.

Neighbourhood Care Canada provides Nursing Home Care Services for Seniors and Loved Ones at their homes, either on a full-time or part-time basis. Our Nursing Services also extend to Respite Care Services to give family caregivers the chance to rejuvenate from sustained caregiving. We also offer Post Hospital Discharge care.

Our fully-trained and highly experienced Nurses are equipped to take care of the entire range of nursing requirements covering critical ailments, post-operative care and rehabilitation, pain and nutrition management, dementia and Alzheimer's care, wound care, diabetes care, and many more.

Happy Father's Day

Make June 19 2022, a day to remember for your Dad, by wishing him Happy Father's Day. Fathers play important roles in our lives, homes and families. From the time they held us in our arms as newborns, to the time they guided us through our youth, they have been a source of strength and inspiration.

So how about making the day special for them. Maybe a small get-together of the family could be organized, with Dad giving the keynote address or belting out his favorite oldies. Think about it!

Straight to the heart!

It's in us to appreciate the responsibility you place in us, when you entrust your Senior or Loved One to our care.

We respect that trust, and do our best to reciprocate it!

Our caregiver teams reflect our approach to client satisfaction. We spare no pains to ensure your Loved One is well-cared for and looked after. Our services come with the guarantee of full satisfaction, with immediate resolution of any grievance, in the unlikely event that they may arise.

Claim our Special Offer!

We are pleased to extend a Special Offer on our Home Care Services for your beloved Seniors and Loved Ones. You can now avail of a "Complimentary Assessment" of their needs at home. Visit <https://neighbourhoodcare.ca> to schedule an appointment.

Senior Father's Day Photo Contest!

Join our Senior Father's Day Photo Contest. This is your chance to win exciting prizes for your father or grandfather.

To participate, visit this link:

<https://neighbourhoodcare.ca/fathers-day-photo-contest-2022/>.

The top 3 entries will each win a prize valued up to \$100.00, with the results being published in the next edition of **Heartstrings!**

The last date for **your entries is Friday, June 24 2022.**

Unmatched Caregiving

We invest a lot to ensure we have the best caregivers on board. Our selection process covers verification of licenses, past and ongoing education, experience, skills and references. Candidates are evaluated for their commitment to ethical standards, patient advocacy, decision-making abilities and team spirit. We also take care to run compatibility and personality checks.

The result is a caregiver team that not just does us proud, but is, more importantly, a valuable asset in your home or your healthcare establishment.
